INVESTMENT
AUTHORITY

The assistant superintendent for business/finance or other person designated by Board resolution shall serve as the investment officer of the District and shall invest District Funds in accordance with the Public Funds Investment Act, the District's approved investment policy, and generally accepted accounting procedures. All investment transactions except investment pool funds and mutual funds shall be executed on a delivery versus payment basis.

APPROVED
INVESTMENT
INSTRUMENTS

From those investments authorized by law and described further in CDA (LEGAL), the Board shall permit investment of District funds in only the following investment types, consistent with the strategies and maturities defined in this policy:

1. Obligations of, or guaranteed by, governmental entities as permitted by Government Code 2256.009;
2. Certificates of deposit and share certificates as permitted by Government Code 2256.010;
3. Fully collateralized repurchase agreements permitted by Government Code 2256.011;
4. A securities lending program as permitted by Government Code 2256.015;
5. Banker's acceptances as permitted by Government Code 2256.012;
6. Commercial paper as permitted by Government Code 2256.013;
7. No-load money market mutual funds and no-load mutual funds permitted by Government Code 2256.014;
8. A guaranteed investment contract as an investment vehicle for bond proceeds, provided it meets the criteria and eligibility requirements established by Government Code 2256.015;
9. Public funds investment pools as permitted by Government Code 2256.16.

SAFETY AND
INVESTMENT
MANAGEMENT

The main goal of the investment program is to ensure its safety and maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctuations by income received from the balance of the portfolio. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio.

LIQUIDITY AND
MATURITY

Any internally created pool fund group of the District shall have a maximum dollar weighted maturity of 180 days. The maximum allowable stated maturity of any other non-capital project or non-bonded proceeds individual investment owned by the District shall not exceed one year from the time of purchase. The maximum allowable stated maturity of any capital project or bond proceeds individual investment owned by the District shall not exceed the lesser of the anticipated expenditure date or three years from the time of purchase, whichever is sooner. The Board may specifically authorize a longer maturity for a given investment, within legal limits.

The District's investment portfolio shall have sufficient liquidity to meet anticipated cash flow requirements.

DIVERSITY

The investment portfolio shall be diversified in terms of investment instruments, maturity scheduling, and financial institutions to reduce risk of loss resulting from overconcentration of assets in a specific class of investments, specific maturity, or specific issuer.

MONITORING MARKET
PRICES

The investment officer shall monitor the investment portfolio and shall keep the Board informed of significant declines in the market value of the District's investment portfolio. Information sources may include financial/investment publications and electronic media, available software for tracking investments, depository banks, commercial or investment banks, financial advisors, and representatives/advisors of investment pools or money market funds. Monitoring shall be done at least quarterly, as required by law, and more often as economic conditions warrant by using appropriate reports, indices, or benchmarks for the type of investment.

FUNDS / STRATEGIES

Investments of the following fund categories shall be consistent with this policy and in accordance with the strategy defined below.

OPERATING FUNDS

Investment strategies for operating funds (including any commingled pools containing operating funds) shall have as their primary objectives safety, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

AGENCY FUNDS

Investment strategies for agency funds shall have as their objectives safety, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

DEBT SERVICE
FUNDS

Investment strategies for debt service funds shall have as their objective sufficient investment liquidity to timely meet debt service payment obligations in accordance with provisions in the bond documents. Maturities longer than one year are authorized provided legal limits are not exceeded.

CAPTIAL PROJECTS

Investment strategies for capital project funds shall have as their objective sufficient investment liquidity to timely meet capital project

obligations. Maturities longer than one year are authorized provided legal limits are not exceeded.

SAFEKEEPING AND

The District shall retain clearly marked receipts providing proof of the District's ownership. The District may delegate, however, to an investment pool the authority to hold legal title as custodian of investments purchased with District funds by the investment pool.

BROKERS / DEALERS

Prior to handling investments on behalf of the District, brokers/dealers must submit required written documents in accordance with law. [See SELLERS OF INVESTMENTS, CDA(LEGAL)] Representatives of brokers/dealers shall be registered with the Texas State Securities Board and must have membership in the Securities Investor Protection Corporation (SIPC), and be in good standing with the National Association of Securities Dealers.

SOLICITING BIDS FOR
CD'S

In order to get the best return on its investments, the District may solicit bids for certificates of deposit in writing, by telephone, or electronically, or by a combination of these methods.

INTEREST RATE RISK

To reduce exposure to changes in interest rates that could adversely affect the value of investments, the District shall use final and weighted-average-maturity limits and diversification.

The District shall monitor interest rate risk using weighted average maturity and specific identification.

INTERNAL CONTROLS

A system of internal controls shall be established and documented in writing and must include specific procedures designated who has authority to withdraw funds. Also, they shall be designated to protect against losses of public funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by employees and officers of the District. Controls deemed most important shall include:

1. Separation of transaction authority from accounting and recordkeeping and electronic transfer of funds.
2. Avoidance of collusion.
3. Custodial safekeeping.
4. Clear delegation of authority
5. Written confirmation of telephone transactions.
6. Documentation of dealer questionnaires, quotations and bids, evaluations, transactions, and rationale.

7. Avoidance of bearer-form securities.

These controls shall be reviewed by the District's independent auditing firm.

PORTFOLIO REPORT

In addition to the quarterly report required by law and signed by the District's investment officer, a comprehensive report on the investment program and investment activity shall be presented annually to the Board. This report shall include a performance evaluation that may include, but not limited to, comparisons to 91-day U.S. Treasury Bills, six-month U.S. Treasury Bills, the Fed Fund rate, the Lehman bond index, and rates from investment pools. The annual report shall include a review of the activities and total yield for the preceding 12 months, suggest policies, strategies, and improvements that might enhance the investment program, and propose an investment plan for the ensuing year. Weighted average yield to maturity shall be the portfolio performance measurement standard for all investment reporting.
